

Second Baptist WEE School

A ministry of Second Baptist Church, Lancaster, SC

Our Philosophy

As a ministry of Second Baptist Church, we are dedicated to building a strong foundation for the spiritual, academic and social growth of children. We believe that by teaching God's love, we can encourage children to respect and love one another, embrace their independence and ultimately prepare them for a lifetime of learning.

We look forward to having your child in our Preschool program! It is our goal to support children in learning about the special world that God created for them. We work to foster their use of language, development of social skills, and promote their cognitive development to ensure a love for learning!

Our Program Verse - Psalm 139:14

"I will praise You, for I am fearfully and wonderfully made; marvelous are Your works, and that my soul knows very well. (NKJV)

We believe that each child is a gift from God and worthy of love, acceptance and support. By modeling Christian values, we teach children to embrace God's love and their individual differences

Second Baptist WEE School provides a loving Christian environment with emphasis on the developmental stages of the child. We believe children learn as they play. We welcome children without regard to race, color, handicap, sex or national origin.

Jesus Loves the Little Children

Second Baptist Wee School

Second Baptist WEE School is a place where children 6 months to 4 years of age learn confidence, where wonder and curiosity are aroused and where exploration takes place.

Creativity is at the center of our program. Opportunities with art, science and nature, language and literacy, numbers music and movement and Bible concepts all combine for loving and energetic experiences. These lay the foundation for individual development and more formal schooling.

Active play is important for growing bodies. We have a well-equipped gym for those days when weather prevents outdoor play on our playground.

Each month, students have an opportunity to interact with our church staff during Bible story and Music time.

WEE School Program Objectives and Goals

- To educate a child's heart to love God, others & self.
- To provide an environment in which love can grow, develop, and mature.
- To enable each child to develop his/her best qualities in order to reach their fullest potential.
- To help children appreciate beauty in nature in our world.
- To maintain an explorative environment that will enable children to learn self-discovery, self-expression, respect, and creative play.
- To develop a positive self-concept; understanding self as a unique person.
- To help children learn and accept limits necessary for health, safety, and the welfare of others.

- To guide & support children in daily social & physical development to achieve key milestones.
- To provide age appropriate curriculum.
- To establish a positive and supportive provider/parent relationship.
- To communicate activity updates and much more!
